

**the singers musical theatre pdf**

Musical theatre is a form of theatrical performance that combines songs, spoken dialogue, acting and dance. The story and emotional content of a musical – humor, pathos, love, anger – are communicated through the words, music, movement and technical aspects of the entertainment as an integrated whole.

**Musical theatre - Wikipedia**

The first theatre piece that conforms to the modern conception of a musical, adding dance and original music that helped to tell the story, is considered to be *The Black Crook*, which premiered in New York on September 12, 1866.
