The good news is that you can order as many different meals as youâ€™d like. You can even purchase fruit and smoothie add-ons for \$4.95, as well as premium meals on occasion. These are special meals that are a bit pricier than the standard menu items, such as holiday specials, which include multiple sides and a desert.

School meal programs in the United States provide school meals free of charge, or at a government-subsidized price, to U.S. students from low-income families. These free or subsidized meals have the potential to increase household food security, which can improve children's health and expand their educational opportunities.. The biggest school meal program in the United States is the National ...
