Transformational Leadership VS. Transactional Leadership 2021

Situational, Transformational, and Transactional Leadership and Leadership Development Jim Allen McCleskey Abstract In order to advance our knowledge of leadership, it is necessary to understand where the study of leadership has been. McCleskey (2014) argued that the study of leadership spans more than 100 years.

Situational, Transformational, and Transactional

While the transactional approach features positive and negative reinforcement, transformational leadership emphasizes motivation and inspiration. Transactional leaders are reactive; transformational leaders are proactive. Transactional leadership appeals to the self-interest of individuals, while the transformational style prioritizes group progress.
