An understanding of lesbian, gay, bisexual and transgender people as a minority group or groups has gained prominence in the Western world since the 19th century. The abbreviation LGBT is currently used to group these identities together. The term queer is sometimes understood as an umbrella term for all non-normative sexuality and gender expressions, but does not always seek to be understood ...

Empathy is the capacity to understand or feel what another person is experiencing from within their frame of reference, i.e., the capacity to place oneself in another's position. There are many definitions for empathy that encompass a broad range of emotional states. Types of empathy include cognitive empathy, emotional empathy, and somatic empathy.
