The tomato (see pronunciation) is the edible, often red, fruit/berry of the plant *Solanum lycopersicum*, commonly known as a tomato plant. The plant belongs to the nightshade family, Solanaceae. The species originated in western South America. The Nahuatl (Aztec language) word *tomatl* gave rise to the Spanish word "tomate", from which the English word tomato derived.

A urine test strip or dipstick test is a basic diagnostic tool used to determine pathological changes in a patient's urine in standard urinalysis.. A standard urine test strip may comprise up to 10 different chemical pads or reagents which react (change color) when immersed in, and then removed from, a urine sample. The test can often be read in as little as 60 to 120 seconds after dipping ...
