

vocationalisation of secondary education pdf

Vocationalisation of Secondary Education Vocational Education in a much broader sense cover education and skill development at all levels from post primary to tertiary education - both through formal and

IN INDIA FOR SUSTAINABLE DEVELOPMENT

Vocational education is education that prepares people to work in various jobs, such as a trade, a craft, or as a technician. Vocational education is sometimes referred to as career education or technical education. A vocational school is a type of educational institution specifically designed to provide vocational education.. Vocational education can take place at the post-secondary, further ...
