A white émigré was a Russian subject who emigrated from Imperial Russia in the wake of the Russian Revolution and Russian Civil War, and who was in opposition to the contemporary Russian political climate. Many white émigrés were participants in the White movement or supported it, although the term is often broadly applied to anyone who may have left the country due to the change in regimes.

The descending limb of the x wave (the x descent) and the descending limb of the y wave (the y descent) represent drops in pressure in the right atrium and right ventricle, respectively. The a wave is followed by the x descent; however, the x descent is sometimes preceded by another positive wave—the c wave, which is produced by tricuspid valve closure (Figure 2).
