The Evil Queen, also called the Wicked Queen, is a fictional character and the main antagonist in "Snow White", a German fairy tale recorded by the Brothers Grimm; similar stories are also known to exist in other countries. Other versions of the Queen appear in "Snow White" derivative works, and the character has also become an archetype for unrelated works of fiction.

A scriptural framework leads to specific expectations about the genetic differences among humans and other species, expectations that can be scientifically tested against modern genetic data. Genetics confirms the recent, supernatural creation of Adam and Eve and refutes the evolutionary narrative on human origins.
